RE: General Disturbance

We have received a report from a witness of loud talking and screaming coming from your apartment. that involved a woman who exited your apartment @6:45am staggering, she was asked if she was alright and her response was that she lives in Atlanta and there is an ambulance waiting for her. The incident occurred on **January 31st**. This behavior is a disturbance to our other residents and is a direct violation of your Lease Contract, per "Prohibited Conduct." In addition to your being responsible for following all Lease rules, it is important to remember that you are also responsible for the action of other occupants of your unit, including children, and guests.

We have confirmation that you and you're daughter do not live in unit PH19 and you are subletting your apartment which is not permitted. We also have confirmation that even though your daughter does not live there she is dropped off and picked up everyday in order to take the school bus to Cheltenham school.

If you have any questions, feel free to contact the Management Office at 215-885-1300. Thank you for your cooperation.

Yours,

Linda Barder
