RE: Pet Waste over Balcony

We have received a report from a resident that dog waste and chemicals washed from your patio is spilling over and landed on a resident below and their patio furniture. They are asking for you to pay to clean the patio furniture.

This is causing a hazardous condition to the residents below you. Per your Lease Contract "Animal Addendum," we are requesting that steps be taken to properly dispose of your dog's waste. Please call the office @ 215-885-1300.

Thank you

Yours,

Joyce Zamorski
