RE: **Balcony**

During a routine inspection of the property on Monday, February 17, 2020, I noticed you have a large amount of Rubbermaid containers on your balcony. This is a reminder that your patio/balcony is not to be used for storage purposes. Please remove these items or bring into your apartment by Friday, February 21, 2020.

If you have any questions, feel free to contact the Management Office at 610-272-8542. Thank you for your cooperation.

Yours,

**Stephen Cicala**
