RE: **Excessive Noise**

We have received a report from a resident of noise disturbances coming from your apartment. Specifically, the noises are of loud music and base. The noises can be heard during the day on Sunday, Monday this week and today during the early evening hours until around 9 p.m.

You may not even be aware that you're disturbing your neighbors. However we ask that you are as courteous as possible when listening to music. We thank you for your cooperation regarding this matter.

If you have any questions, feel free to contact the Management Office at 610-272-8542.

Yours,
