RE: Cigarette Smoke Reminder

The management office has received reports from residents of smoke odor coming from your apartment. Specifically, over the past few weeks, dating back to mid-February 2026, residents communicated they could smell smoke odor coming from your apartment.

Per your lease agreement, smoking is NOT permitted in your apartment, the common hallway, the stairwells, common areas, or parking garages. If you or your guests have the need to smoke, you may smoke outside the tower.

If you have any questions, feel free to contact the Management Office at 610-265-5250. Thank you for your cooperation.

Yours,

Stephen Cicala
