RE: Work Order Follow Up

This letter is to follow up for the maintenance request that you have placed. Maintenance was in your unit on **Tuesday, December 8, 2020** and has completed the work. Please do contact us if you are not satisfied with the work or have any questions or concerns.

As a reminder, please don't dispose of anything down the toilet as this will cause problems with the plumbing system. This is the 2nd time the plumbing contractor had to perform emergency service on your bathroom plumbing due to finding feminine products in your bathroom plumbing. Please be aware you will be responsible for any future charges associated with plumbing repairs that require the removal of feminine products.

If you have any questions, please contact me or the leasing office.

Yours,

Stephen Cicala
