**RE: Misusing the Premises**

Good Morning Karen,

Nina McNeal, who is no longer an authorized resident at this property, has been parking her vehicle in the garage rental area in building 2, in a rented parking space, she has not leased. She has been warned numerous times with notices on her vehicle. She confronted an independent contractor, who works for Lindy in an aggressive manner, cursing him and throwing the notice in his face. We have been informed that she is residing in your home. If you chose to have her reside, please reach out to Joyce to have her added to your lease. Please address this with Nina, so we do not need to notify the police. Thanks for your help with this matter.

Yours,

**Frank Baer**
