**RE: Dog is Barking**

We have received a report from a resident that your dog has been barking excessively. Specifically, the resident has reported that your dog barks early in the morning, at around 8 a.m., even on the weekends. The resident said they love dogs and don't want you to cage your furry friend, but they're having a hard time putting up with the barking. Per your Lease Contract, "Animal Addendum," we are requesting that you take the necessary steps to stop the constant barking.

If you have any questions, please feel free to contact the Management Office at 610-272-8542. Thank you for your cooperation.

Yours,

**Stephen Cicala**
