RE: **Dog is Barking**

We have received a report from a resident that your dog has been barking excessively. Per the neighbor, these dogs bark for hours each day in distress. The dogs were barking and howling last night around midnight when the police were called. Per your Lease Contract, "Animal Addendum," we are requesting that you take the necessary steps to stop the constant barking.

If you have any questions, please feel free to contact the Management Office at 215-885-1300. Thank you for your cooperation.

Yours,

Linda Barder
