RE: **Dog is Barking**

We have again received a report from a resident that your dog has been barking excessively. This is the second letter in four days. Last night there was consistent barking from 10:03pm until 10:30pm. That was the beginning of hours of off and on barking that would last for minutes at a time. The dogs were continuing their barking outburst throughout the night and your neighbor was awakened just before 6:00am by the barking dogs.

Per your Lease Contract, "Animal Addendum," we are requesting that you take the necessary steps to stop the constant barking or your dogs may need to be removed from the premises.

If you have any questions, please feel free to contact the Management Office at 215-885-1300. Thank you for your cooperation.

Yours,

Linda Barder
