RE: Common Area

We have received a report from a resident of an incident that occurred in the hallway. Resident notified the office that you were allowing your child to use the hallway as an indoor, private playground on Christmas Day. Apparently the child received a motorized toy and made a complete run on the entire floor. In addition to your responsibility for following all Lease rules, it is important to remember that you are also responsible for the action of other occupants of your unit, including children, and guests.

If you have any questions, feel free to contact the Management Office at 215-885-1300. Thank you for your cooperation.

Yours,

Linda Barder
