RE: The Condition of Your Apartment

We have received a report from Maintenance regarding the condition of your apartment.

It has been reported that there is constant leak coming from your bathroom into the unit below you. This is because you are not properly using your shower curtain causing the water to spill out onto your bathroom floor. Per the attached pictures, the bathroom needs to be cleaned as well. It is important that you realize you are responsible for the action of any occupant as well as for yourself.

Uncleanliness is a direct violation of your Lease Contract, "Limitations on Conduct." We are requesting that you clean the trash from your apartment immediately.

If you have any questions please feel free to contact the Management Office at 215-885-1300. Thank you for your cooperation.

Yours,

Linda Barder
