**RE: Common Area**

We have received a report from the local Police of an incident that occurred in the Social Room. On Saturday, March 5th our Concierge, Rover, On-Call Maintenance were called due to the excessive loud noise coming from the library, hallway and Social Room. You had a DJ where your agreement clearly states DJ's are not permitted. Guests were drinking in the hallways, smoking marijuana and eating in the lobby area. After our staff reached out to Management and was told to have you end the party, your son I believe locked the doors so they could not enter. That is when Cheltenham Township Police were called. In addition to your responsibility for following all Lease rules, it is important to remember that you are also responsible for the action of other occupants of your unit, including children, and guests.

As a result, you are no longer permitted to use the Social Room.

If you have any questions, feel free to contact the Management Office at 215-885-1300. Thank

you for your cooperation.

Yours,

**Linda Barder**
