RE: Improper Parking

During a recent inspection of Westgate Arms on Monday, 1/6/2020, I noticed there is a motor bike in the breezeway, that is chained to one of our apartment patios. When I last seen this bike last month, I spoke with Charles Turner to remove it. He asked that I allow him two weeks to have the bike removed. I agreed and noticed that the motor bike was no longer chained to the patio in the breezeway after the two week deadline. However, the motor bike is now back in the breezeway and needs to be removed immediately. Please remove the motor bike from the breezeway by Friday, 1/10/2020 or risk having the motor bike towed at your expense.

If you have any questions, please feel free to contact the Management Office at 610-272-8542. Thank you for your cooperation.

Yours,

Stephen Cicala
