RE: **Excessive Noise**

We have received a report from a resident of noise disturbances coming from your apartment. Specifically the noises are of someone jumping around and also using the washing machine during the later evening, into the morning hours. The disturbances can be heard up until 12 a.m. and after.

You may not be aware that you're disturbing your neighbors, but we ask that you're as courteous as possible when moving around in your apartment and using your appliances a little earlier in the day. We appreciate your cooperation regarding this matter.

If you have any questions, feel free to contact the Management Office at 610-272-8542.

Yours,
Stephen Cicala
