**RE: Dog Must be on a Leash**

We have again received a report from a resident that your dog was not on a leash. The dog was alone wondering the hallways and scared one of your neighbors. Your daughter was then seen coming off the elevator with another dog, trying to wrangle them back to your apartment. This creates a safety hazard to others in the community. Per your Lease Contract, "Animal Addendum," we are requesting that the dog be kept on a leash at all times. We count on residents to take proper care of their pets. As you know, it's our responsibility to maintain as best we can a safe and quiet environment for all residents to enjoy. Please know that if proper care is not taken of this situation, Management has the right to require the pet to be removed from the premises.

If you have any questions, please feel free to contact the Management Office at 215-885-1300. Thank you for your cooperation.

Yours,

**Linda Barder**
