RE: **Excessive Noise**

We have received a report from a resident of loud music at least twice a week and sometimes as late as midnight coming from your apartment. The music is so loud the vibrations are coming through the walls.

Behaving in a loud manner or disturbing your neighbors is a direct violation of your Lease Contract, per "Prohibited Conduct." In addition to your being responsible for following all Lease rules, it is important to remember that you are also responsible for the action of other occupants of your unit, including children, and guests.

If you have any questions, feel free to contact the Management Office at 215-885-1300.

Yours,

Linda Barder
