RE: Expired Car Registration

We have received a report that a vehicle belonging to you has expired tags or registration and has a flat tire. We do not allow any cars to park on this property that have expired tags or registration. Additionally, cars parked on the property cannot be in a state of disrepair or abandonment.

Maintenance has tagged your vehicle multiple times in hopes you would correct the violations. As you have failed to correct the violations your vehicle may be towed from the property at any time at your expense.

Should you have any questions, please feel free to contact the Management Office at 215-463-5566.

Thank you for your cooperation.

Yours,

Marva Brown
