RE: Pet Waste over Balcony

We have again received a report from a resident that dog waste washed from your patio is spilling over and landing elsewhere. This is causing a hazardous condition to the residents below you. Per your Lease Contract "Animal Addendum," we are requesting that steps be taken to properly dispose of your dog's waste. This is your 2nd notice and another \$25.00 resident fine has been added to your account. If this continues the dog will have to be removed from the property.

If you have any questions, please feel free to contact the Management Office at 215-885-1300. Thank you for your cooperation.

Yours,

Linda Barder
