RE: General Disturbance

Dear M/ Rakhmonov & M/ Sangova,

We hope this message finds you well. We wanted to reach out regarding ongoing complaints about excessive noise, including loud banging, jumping, and general disturbances during the early morning and late evening hours. This issue has been raised with us before, and we have reached out to you previously regarding the same matter.

We kindly ask that you be more mindful of your neighbors and do your best to minimize noise, especially during quiet hours. While we understand that certain noises may be unavoidable, there are times when they can and should be controlled.

Your cooperation in maintaining a peaceful environment for all residents is greatly appreciated. If you would like to discuss this further, please feel free to contact us directly.

Thank you for your attention to this matter.

If you have any questions, feel free to contact the Management Office at 215-677-1765.

Yours,

Nilsa Reyes
