RE: **Security Measures Now in Place**

Last week the police came to the property searching for a person by the name of Tyrone Brian. They informed the leasing office the person they were looking for was either visiting or residing in your apartment home. The individual left the property in a reckless manor, plowing into police vehicles to avoid capture. In response to the incident(s) that took place on **Friday, December 4, 2020**, the leasing office has informed the guards to call the police immediately should this individual return to the property.

Please be advised the person mentioned above is prohibited from this property. If you allow them to return to the property, for the safety of all residents, we will call the police and begin the process for termination of your lease agreement.

Thank you in advance for your cooperation.

Yours,

Marva Brown
