RE: **Excessive Noise**

We have received a report from a resident of noise disturbances coming from your apartment. The noises are described as loud and can be heard at all hours of the day and into the late evening hours, sometimes until midnight.

You may not even realize you're disturbing your neighbors, however we ask that you be more mindful of any noises in your apartment during the day and into the later evening hours. We thank you for your cooperation.

If you have any questions, feel free to contact the Management Office at 610-272-8542.

Yours,

Stephen Cicala
