**RE: Work Order Follow Up**

This letter is to follow up for the maintenance request that you have placed. Maintenance was in your unit on **Monday, July 25, 2022** and has completed the work.

The maintenance team and plumbing contract found, when unclogging your toilet, there were wipes and paper towels in the toilet line. Please be aware that this type of maintenance isn't routine and you will incur a charge the next time anything is unclogged from your toilet, other than toilet paper.

If you have any questions, please contact me or the management office team.

Yours,

**Stephen Cicala**
