RE: **Dog is Barking**

We have received a report from a resident that your dog has been barking excessively during the evening hours into the late night. Maybe this is taking place while you are out of the home. Maybe you can try puppy tv, leaving the television on for your pet, or maybe a shirt or a blanket with you smell on it to comfort him or her until you return home.

Per your Lease Contract, "Animal Addendum," we are requesting that you take the necessary steps to stop the constant barking.

If you have any questions, please feel free to contact the Management Office at . Thank you for your cooperation.

Yours,

Natalie Dixon
