**RE: Parked in Fire Zone**

It has been brought to my attention you and someone from your household has been parking in the fire lanes. This creates a fire hazard that endangers the entire community. This is a violation per your Lease Contract, "Parking." Should you continue to park your vehicle in the fire lanes, your vehicle will be towed. In addition to your responsibility for following all Lease rules, it is important to remember that you are also responsible for the actions of other occupants of your apartment home, including children, and guests. This notice serves as a warning. If this continues we will be forced to take further action up to and including possible termination and/or non-renewal of your lease.

If you have any questions, please feel free to contact the Management Office. Thank you for

your cooperation.

Yours,

**Doris Scipio**
