RE: Please Contact the Management Office Immediately

Hello,

I am reaching out about your car again. My manager called me and said that if the CEO comes back and the car is still there without the proper tags, it most likely will be towed. She suggested you maybe would want to park it somewhere else for now, like on an off street or another lot, until you get it fixed. I am sorry for the inconvenience. Thank you.

Yours,

Nicole Plafker
