RE: **Excessive Noise**

We have received a report from a resident of noise disturbances coming from your apartment. Specifically the noise is of a dog barking for about an hour, on and off during the day. It's been happening all week.

I checked your file and I don't see that you had a dog listed on your rental application when you moved in. Did you recently get a dog? If so, please contact the leasing office so we may get a copy your furry friend's vet records and picture of them. We'll then need you to sign the Animal Addendum and attach to your existing lease. There is a \$300 non-refundable pet fee that is due and there is monthly pet rent of \$35/month for your pet.

If this is not you, do you hear barking during the day/evening or know where the barking is coming from?

If you have any questions, feel free to contact the Management Office at 610-272-8542.

Yours,

**Stephen Cicala**
