RE: **Dog Bite**

We have received a report from Security that your dog bit a resident. Your dog was not on a leash when it charged after another resident and their dog. The resident sustained injuries to his hand trying to fight off your dog, the dog has a cut on his face and his leg was injured. The incident occurred Thursday, March 24th, outside of Building 2 Mezzanine.. Per your Lease Contract, "Animal Addendum," we are requiring you to follow each of the regulations regarding this pet. A dog bite is a serious offense.

If you have any questions, please feel free to contact the Management Office at 215-885-1300. Thank you for your cooperation.

Yours,

**Linda Barder**
