### **RE: Work Order Follow Up**

This letter is to address a concern we received, regarding you, from a resident in the community. We have received complaints from resident's that you are harassing them. Specifically knocking on their front doors for over 20 minutes, leaving trash by vehicles in the parking lot and following residents children to their vehicles.

Also, some residents have found it inappropriate that you don't wear more clothing when you walk around the parking lot. In the future, when you go for your daily walks, please wear extra clothing or at least a t-shirt.

Thank you for your cooperation regarding these matters and please contact our leasing office if you have any questions.

Yours,

**Stephen Cicala**
