RE: Pet Waste over Balcony

We have received a report from a resident that dog waste was poured from your balcony and landed on the furniture of your neighbor below. This is causing a hazardous condition to the residents below you. Per your Lease Contract "Animal Addendum," we are requesting that steps be taken to properly dispose of your dog's waste. Please do not wash or pour anything off of your balcony.

If you have any questions, please feel free to contact the Management Office at 215-885-1300. Thank you for your cooperation.

Yours,

Linda Barder
