Re: **Cat Odor**

We have received a report from Maintenance that the cat in your unit is causing an odor that is noticeable in the hallway. Per the Lease Contract for your unit, "Pet Addendum," your unit is responsible for the proper and frequent disposal of pet waste so as to prevent any odor that may result and become noticeable to other residents. If we continue to receive complaints regarding the pet odor that emanates from your unit, please be aware that you may be required to remove the cat or any other pet that may be present in your unit.

If you have any questions, please feel free to contact the Management Office at 215-343-3324. Thank you for your cooperation.

Yours,

Alison Snyder
