Re: Access needed for Alarm System Inspection

This is to inform you that our Fire Alarm Inspection vendor will be on the premises Thursday, May 18, between the hours of **6:00 am** and **7:00 pm** to test your alarm. Appointments for this inspection cannot be accepted.? A Lindy employee will accompany the vendor. You do not need to be present for the inspection, however we need to ensure that we have access to your apartment. Please leave your top lock off. It's important for you to know that if we cannot obtain entry into your apartment, we will need to drill your lock at your expense.

If you have any questions, please feel free to contact the Management Office at 222-222-2222. We apologize for any inconvenience this may cause.
Thank you for cooperation.

Yours,

Nausher K
