

Construction Notification

August 2, 2022

All Residents
Enclaves
3900 Gateway Communities
Philadelphia, PA, 19145

FROM: Marva Brown, Community Director

RE: General - Construction notice

Please be advised we will begin a construction project in the rear of the building tomorrow at approximately 9AM. The work is expected to last approximately two weeks with the contractors working week days from 9AM to 4:30PM week days.

There will likely be excessive noise during the construction. Any residents working from home or who simply wish to escape the noise are welcome to use the Clubhouse.

We apologize for your inconvenience and thank you for your patience.

Yours,

Marva Brown

Community Director, Enclaves
