**RE: Please Contact the Management Office Immediately**

Dear Residents,

Please be reminded that the community dolly carts must be returned to their designated location immediately after use. Under no circumstances should the carts be kept in individual units.

Keeping carts in your unit prevents other residents from accessing this shared resource and disrupts the convenience it provides for everyone. Returning the carts promptly ensures that all residents can benefit from their availability when needed.

We appreciate your cooperation in maintaining a respectful and considerate community.

Thank you,

Yours,

**Kristal Melendez**

Community Director, York North (YONO)
