RE: Icy Conditions

Dear Residents,

The National Weather Service is predicting potentially dangerous ICY conditions beginning on **Wednesday, January 8, 2025**.

Please use extra care when navigating through the parking lots, ramps, lobbies, stairwells etc. as slippery conditions are likely. If you plan on driving on the roads, please drive slowly and stay safe!

Our maintenance team and contractors will be working to salt the sidewalks and parking lots as quickly as possible. Please call the office at 215-329-0605 if you notice any areas that need immediate attention.

Thank you in advance for your patience.

Yours,

Thomas Neal

Community Director, York North (YONO)
