RE: General - Construction notice

Dear Residents,

We would like to inform you that our plumbing company will be onsite **Wednesday, January 14th, 2026** to complete sewer line jetting as part of our routine maintenance.

During this process, **we will need access to all bottom-floor apartments** so the maintenance team can verify that no flooding or backflow has occurred. Our team will be knocking between **9:00 AM and 5:00 PM**.

We appreciate your cooperation in ensuring that this work can be completed safely and efficiently. If you have any questions or need to coordinate access, please contact the office at your earliest

convenience.

Thank you for your understanding and assistance.

Yours,

Melissa Verdon
