RE: Snow Storm is Coming

Subject: Important Reminder: Snow Shoveling Responsibility

Dear Residents,

I hope this message finds you well. As we enter the winter season, we would like to remind all residents about their responsibility for snow shoveling on their sidewalks. Maintaining clear and safe walkways is crucial for the well-being and safety of our community.

With snowfall expected in these months, it is essential that each resident takes the necessary steps to keep their sidewalks free from snow and ice. This not only ensures the safety of pedestrians but also contributes to the overall well-kept appearance of our neighborhood.

Here are a few key points to keep in mind:

1. ****Prompt Snow Removal:**** Please make an effort to shovel your sidewalks promptly after any snowfall. Timely removal helps prevent the formation of ice patches and ensures safe passage for everyone.
2. ****Clear Pathways:**** Ensure that the entire width of the sidewalk is cleared, allowing for easy and unobstructed movement. Pay special attention to areas near intersections and crosswalks.

3. ****Use of Salt or Sand:**** If necessary, consider using salt or sand to melt ice and improve traction on sidewalks. This can be particularly helpful in preventing slips and falls.

4. ****Cooperation for Community Safety:**** Remember that we all share the responsibility for a safe and well-maintained community. By taking care of your sidewalks, you contribute to the overall safety and enjoyment of our neighborhood.

Thank you for your cooperation and commitment to maintaining a safe environment for all residents. If you have any questions or concerns, please feel free to reach out to the office at 215.463.5566.

Wishing you a safe and enjoyable winter season.

Yours,

Melissa Verdon
