RE: **Water Shut-Off**

Dear Residents of Willow Bend:

The water has been restored and is in working order.

Please make sure your faucets are in the **off** position. If not, this may cause a flood in your apartment home and/or other's apartments if the faucets are left running when the water is restored.

This was an unforeseen occurrence and an emergency situation due to the weather.

We apologize for any inconvenience this may have caused.

Also, we appreciate your patience and understanding.

Lindy Communities

Yours,

**Doris Scipio**

Community Director, Willow Bend
