RE: Elevator out of commission

The safety of our residents is always our first concern. Due to the nature of a problem with the electric in the building, it was safer for us to discontinue operation of the elevators until the proper repair can be made. A PECO contractor will be out asap to assess the issue. We are continuing to stay in touch with them regularly for updates.

We apologize for the inconvenience. We will provide further updates as we have more information. Please call the office at 215-463-5566 with any questions or concerns.

Sincerely,

Yours,

Melissa Verdon
