RE: **Water Shut-Off**

Dear Residents of Gateway Towers,

Contractors will be completing a plumbing repair in the building on **Monday, January 31, 2022**. Every effort will be taken to avoid shutting off the water or to isolate the shut off to as few homes as possible. The work will be completed from **9:00 am** to **1:00 pm**. Please prepare for a water shut off during these hours. Also, please do not do laundry within this window as the machines will not work should the water shut off be necessary.

We apologize for any inconvenience this may cause. For any additional questions or concerns, please contact the Management Office at 215-463-5566.

Thank you in advance for your cooperation.

Yours,

Marva Brown
