RE: **Water Shut-Off**

Dear Residents of Gateway Towers,

Earlier today there was planned plumbing in the Buckingham building between the hours of 9am and 1pm. Unfortunately when the water was turn back on, it did not circulate but rather poured out of the backflow pipe. Plumbers are currently working to resolve the issue.

We apologize for this major inconvenience and expect to have the water restore soon.

Yours,

Marva Brown

Assistant Community Director, Gateway Towers
