RE: Improvement to Mechanicals

Dear Residents of Sedgwick Gardens,

February 15, 2021 between the hours of 9:00am and 5:00pm Verizon will be on site to install Fios. In the event the Verizon technician has to enter your home he/she will be accompanied by a member of our staff. If you are a customer of Verizon you may experience a loss in service until the installation is complete.

Also, all occupants and pets of the apartment should go to a bedroom and shut the door while Verizon/employee is in the unit to maintain social distancing for everyone's protection.

They will let you know from the front door when they have completed the inspection/work and are leaving your home.

Verizon/maintenance tech will be wearing personal protective equipment.

If you have any questions or concerns, please feel free to contact the office at 215-242-4235 or mtairy@comehometolindy.com.

Thank you for your patience.

Yours,

Doris Scipio
