RE: **Water Shut-Off**

Dear Residents,

This is an update on the water emergency today, 3/8/2021 in the East back wing. Ben Manis Plumbing is now on site and will be working to repair a damaged water pipe. The water will need to be turned off once more for approx. 1 hour for the repair to be completed. We expect the water to be back by 3:30 pm today.

We apologize for any inconvenience this may cause. For any additional questions or concerns, please contact the Management Office at 215-878-1895.

Thank you in advance for your cooperation.

Yours,
Amber Johnson
