RE: Work Order Follow Up

This letter is to follow up for the maintenance request that you have placed. On 3/8/2020, the West building hot water heater went down for all apartments. Maintenance responded to the call but was unable to get it working. L L Heating was dispatched and determined that a part needed replacing. The issue with the hot water heater for the West building was resolved today, 3/9/2020, by L L Heating. Residents now have access to hot water. Please do contact us if you are not satisfied with the work or have any questions or concerns. We apologize for the inconvenience.

Yours,

Amber Johnson
