## **Preventative Maintenance**

March 21, 2023

Dear Residents of Mt. Airy Place,

We will conduct our annual preventive maintenance starting:

March 22, 2023 through March 23, 2023 between 9:30am and 5:00pm.

The inspection will consist of inspecting smoke detectors, inspecting fire stops, inspecting fire extinguishers, unreported maintenance issues and housekeeping.

This is a mandatory inspection; we must be able to gain access to your apartment on

the above dates.

We are asking during the time frame of the inspection, due to Covid-19 while our team is in your apartment home please wear your mask and stay 6 ft apart for each other. Maintenance will let you know when they have completed the inspection and is leaving your home. We are also asking if you have pets please seclude them in those areas with you.

We apologize for any inconvenience this may cause.

If you have any questions or concerns, please feel free to contact the office at 215-242-4235 or [dscipio@comehometolindy.com](mailto:dscipio@comehometolindy.com).

Sincerely,

Yours,

**Doris Scipio**
