RE: **Water Shut-Off**

Dear Residents of Mt. Airy Place:

We will have a plumbing contractor on site this evening due to an unforeseen situation.

There's a broken pipe located in the B building that needs immediate attention.

Unfortunately, the water will be shut off for a few hours. This situation is an emergency.

Please **Do Not** leave your faucets open/on. This may cause a flood in your apartment home that could also affect your neighbors.

Please make sure your faucets are in the off position.

We do apologize for any inconvenience this may cause.

Thank you for allowing us to serve you better.

Yours,

Doris Scipio
