

Construction Notification

April 15, 2023

All Residents
Gateway Towers
Bldg A:3600 Gateway Drive
Philadelphia, PA, 19145

FROM: Marva Brown, Community Director

RE: General - Construction notice

04/15/2023

Dear Customer:

At PECO, we are committed to providing safe and reliable energy for our customers and the communities we serve. As part of our work, we will be upgrading and installing new equipment to enhance the local electric distribution system in the City of Philadelphia.

This project is part of PECO's Reliability & Resiliency Plan to invest \$1.36 billion through 2025 on targeted reliability-focused infrastructure investments. These accelerated investments will help strengthen the local electric infrastructure to better withstand more frequent and damaging storms, deliver enhanced reliability for our customers, and enable the adoption of clean energy resources.

About Outages:

There are some situations where crews may need to temporarily interrupt service to safely complete some of this work. We're proactively replacing aging infrastructure to positively impact reliability of our system.

When planned interruptions are needed, we will work as quickly and safely as possible to reduce the length of the outage. We anticipate outages will be necessary in your area on the following dates:

Tuesday April 25th from 8am to 4pm and Thursday April 27th from 8am to 4pm . You will receive a phone call 1-2 days prior to the outage to provide a more specific timeframe This outage is at the direction of PECO and is NOT being initiated by Lindy Property Management. **To ensure that you receive all outage updates, please confirm that your phone number is accurate in our system through MyAccount at www.peco.com/myaccount or by calling 1-800-494-4000.**

If you have any questions about this work, please contact russell.jirik@exeloncorp.com.

Sincerely,

Frank Moffa

Director, Project Management, PEC Director P&CM, PECO
