RE: General - Construction notice

Dear Residents,

As you may know, we are nearing the completion of our window replacement project. We truly appreciate your patience and cooperation throughout this process.

For the final phase of the replacements, we will need to use a lift. As a result, parking in front of the building will be blocked off on **Thursday, April 17th, and Friday, April 18th**. Please make arrangements to park elsewhere during these days to allow the work to proceed safely and efficiently.

We apologize for any inconvenience this may cause and thank you for your understanding as we complete these improvements to the

building.

If you have any questions or concerns, please feel free to contact the management office.

Yours,

Melissa Verdon
