**RE: General - Construction notice**

Great news! We expect to start remodeling the lobby tomorrow morning around 9am. Please be advised there will be contractors working in the lobby for the next few days removing the wallpaper and prepping the walls for painting. While you will be able to get your mail we do ask that you plan to access the lobby as little as possible until the work is completed.

If you have any questions, you can contact the Maintenance Office at 215-463-5566. Thank you for your cooperation and we apologize for the inconvenience.

Yours,

**Marva Brown**
