Dear Residents of Buckingham Building,

We currently have plumbing being completed in the in the building. Due to an unexpected complication with the repair the plumbers have had to perform an emergency water shut off. We expect to have the water restored within the next 2 hours.

We apologize for any inconvenience this may cause. For any additional questions or concerns, please contact the Management Office at 215-463-5566.

Thank you in advance for your understanding and patience.

Yours,
